

# RESPOND & REBUILD IS ANNOUNCING A T-SHIRT DESIGN COMPETITION!

Can you hone your graphic design skills on a logo that makes mold removal as hip and cool as the Respond & Rebuild staff makes mold removal?

Can you design a rockin “Mold-Slayer” T-shirt?  
Can you make “Spore-Busting” the next big thing?

Can you create a design that is as awesome as the feeling you get when you help clean an NYC family’s home of mold?

## THINK YOU CAN?

Email us your design (find tshirt templates [here](#)), and **make sure you have “liked” our facebook page.**

**Keep checking back and we will put your design on our Facebook page in our “T-Shirt Design Contest” album, then tell your friends to “like” us too so they can vote!**

The three designs with the most votes from our Facebook friends will be voted on by the Respond & Rebuild Team and the winning design will become our first t-shirt!
